### TKL EMPLOYEE SPOTLIGHT

#### MEET OUR BSO LEAD

This month, we shine the spotlight on Celina Frison. Celina has been a dedicated and caring employee of Teck Pioneer Residence for 15 years. She started her career at the home as a PSW, then upon graduating she took on the role of RPN and for the last few years she has been the BSO (Behavioral Support Ontario) lead for the home. This role is essential for building on quality of life for those who live with dementia.

Celina is also the CUPE 1074 Union President and fulfills this role with gusto ensuring that the employer and employee relationships are strong and respectful.

Celina has an amazing way with residents, family members and staff; she is known for her humor, positive and outgoing personality!

When asked what she loves about her role, Celina loves the interactions with residents and their families, the friendships made with not only those members of the TPR family but her peers as well. TPR feels like home!

May the spirit of the season fill your home with love and laughter.

We wish you a Merry Christmas and a Happy New Year!

# Budget Consultation Survey 2025

Every time your street is plowed, your garbage picked up, you visit a park, or borrow a book from the library; you are witnessing your tax dollars at work.

Municipal budget decisions fund the programs and services to maintain the quality of life for residents within the Town of Kirkland Lake.

Please take a moment to complete the Online Survey at [kirklandlake.ca](http://kirklandlake.ca) to assist Council and staff to better assess potential priorities in our service delivery and programming.

**The Survey will be available on our website [kirklandlake.ca](http://kirklandlake.ca) until February 14, 2025.**

**SNOW ANGELS**

Spreading Kindness This Winter in Kirkland Lake

Proudly supported by

THE RIGHT ENVIRONMENT

### ❄️ Snow Angels Operation: Spreading Kindness This Winter in Kirkland Lake ❄️

As winter blankets our town, Kirkland Lake is joining the ranks of cities and municipalities like London, Calgary, Belleville, Elliot Lake, and Simcoe County, with many others also eager to lend a hand, to those in need through the Snow Angels Operation.

This community-driven initiative helps seniors, people with limited mobility, and anyone needing assistance with snow removal. By becoming a Snow Angel, you can help clear walkways and driveways, making winter safer and more manageable for your neighbours.

#### Why Join the Snow Angels Movement?

- Help your neighbours – Whether it's a senior or someone with mobility challenges, your efforts can make a huge difference.
- Build a caring community – Coming together during winter shows the true spirit of kindness that makes Kirkland Lake special.
- A simple, community-driven solution – Snow

Angels Canada was created to connect people in need with those who can help, without red tape or cost. It's all about community support!

How do I become a Snow Angel?

- To become a registered Snow Angel through Snow Angels Canada, please visit <https://snowangelscanada.ca/help>

Offer help to friends, family, neighbours, and those in need with snow clearing assistance and help where you can – no registration needed. Started in 2015 by Lincoln McCardle, Snow Angels continues to inspire municipalities across the country to keep their communities strong and connected. While the Town of Kirkland Lake doesn't manage the Snow Angels Operations, we do support neighbours helping neighbours and this initiative.

How do I find a Snow Angel?

- To become a registered person looking for a Snow Angel through Snow Angels Canada, go here <https://snowangelscanada.ca/help/>
- Let friends, family, neighbours know you are looking for assistance and would welcome the snow clearing help; then let the wonderful community of Kirkland Lake come together to provide help, offline, where they can.

Not interested in becoming a part of the Snow Angels movement, but still require assistance with snow removal? Information on Snow Removal can be found on our [Winter Maintenance](#) Page listing of some Private Snow Removal Companies.

Please note, the Town is not directly affiliated with any Private Snow Clearing Companies or the Snow Angels Movement and encourages all residents to do their own research on all parties involved.

Let's work together to ensure no one is left behind this winter. ☁️
